Headline:
Rain dying out Saturday morning. Bright spells developing.

This Evening and Tonight:
Mostly dry this evening and at first tonight with sunny then clear intervals. Thicker cloud coming up from the south later tonight will bring some patchy light rain. A very mild night. Minimum temperature 13 deg C (55 deg F).

Saturday:
Cloudy morning with patchy rain gradually dying out. Some bright spells developing later in morning and during afternoon with just a few showers breaking out. Quite warm with light winds. Maximum temperature 20 deg C (68 deg F).

Outlook for Sunday to Tuesday:
More unsettled than of late with showers or longer spells of rain, heavy and perhaps thundery at times. Still feeling warm in any sunshine with mainly light winds.
